---

We add more times as camps fill up.  
Additional times may be available on our website!

# Virtual SUMMER CAMP

Varsity Tutors

## COSMIC ADVENTURE CAMP

Age Groups 5-6 7-8 9-10 11-13

Prepare your young learner for a zero-gravity ride through our solar system and beyond. They'll meet new friends, learn from expert instructors, and add some rocket fuel to their curiosity.

Save a Spot

## WEATHER WONDERS CAMP

Age Groups 5-6 7-8 9-10 11-13

The forecast for this camp is 100% awesome! (Sorry, we had to say it.) Your aspiring meteorologist will join other campers for an exciting look at the world of weather, complete hands-on projects, and learn from expert instructors.

Save a Spot

## CURIOUS WORLD STEM CAMP

Age Groups 5-6 7-8 9-10 11-13

Do you have a young doer, maker, or tinkerer in the house? This fun-filled camp will feed their curious mind as they join fellow campers to explore how the world works, one experiment at a time.

## WILDLIFE CREATURE CAMP

Age Groups 5-6 7-8 9-10 11-13

This is your young explorer's passport to animal adventure. They'll meet new friends, learn from expert instructors, and deepen their appreciation for the animal kingdom... from A to chimpan-Z.

Save a Spot

## ANCIENT ADVENTURES ARCHEOLOGY CAMP

Age Groups 5-6 7-8 9-10 11-13

Okay, so time machines don't exist (yet), but who says your aspiring archeologist can't go back in time? Here's their chance to join fellow campers as they journey to ancient civilizations and hunt for long-lost treasures.

Save a Spot

## YOUNG ANIMATORS CAMP

Age Groups 5-6 7-8 9-10 11-13

Is your refrigerator buried under your child's latest doodles? Let them nurture their creativity with fellow budding artists, take on AfterCamp Creativity Challenges, and learn new techniques from expert instructors.
